General Information

The KW Cycling Academy presents the second edition of the Dirty NEIN! Mountain Bike Event, bringing MTB racing to the City of Waterloo. All proceeds of the race will go to support the KW Cycling Academy and developing cycling as a sport and supporting youth racing in the Waterloo Region.

The event will be held at Bechtel Park in the south end of Waterloo again with wide and fast flowing trails, fast descents, some technical features and tough climbing in between. The ride consists of multiple events which will be loosely following the rulesets for the various mountain bike event. The event is designed for new riders in mind. We encourage riders to come out with any MTB, Gravel, or CX bike. The best rule for the day is to have fun riding bikes.

Centrally located only one-hour west of Toronto and one-hour east of London, the Dirty Nein will give riders a chance to ride a mix of grass, gravel, pavement, and sand. Whether you are new to mountain biking, gravel, or CX or an experienced pro, this event will be for you.

Registration Information

	Youth & Adults
Online Registration closes Wednesday, June 1st, 2022 11:59pm	\$42.50 + applicable fees and taxes

Downhill/Gravity "Stand alone event" - \$27.50 + applicable fees & taxes.

Registration will be available through CCN and is available now at <http://register.dirtynein.com>.

All riders must have a valid Ontario Provincial Race License or UCI Race License to participate in the event following Ontario Cycling event regulations. By registering for the event, the racers certify their physical and mental ability to partake in endurance events as well as the technical safety and functionality of their bicycles. Racers who are in obvious violation of either of these aspects can and will be removed from the start lists prior to the event starts. **HELMETS ARE MANDATORY!**

Event Number Plates

The race organizer will provide race number plates to be used during the event along with a timing chip. The race plates have to be mounted in visible fashion on the front of the bicycle, preferably on the handlebars, race plates will remain with the racers post race.

Timing Chips

Timing chips are part of the race number place. Please do not fold or bend them. If you damage the timing chip, you will not get a result.
